

Application No. 820: Easter flower vases

Author: supermagnete, Uster, Switzerland, support@supermagnete.com

Flower vases made of coloured eggs

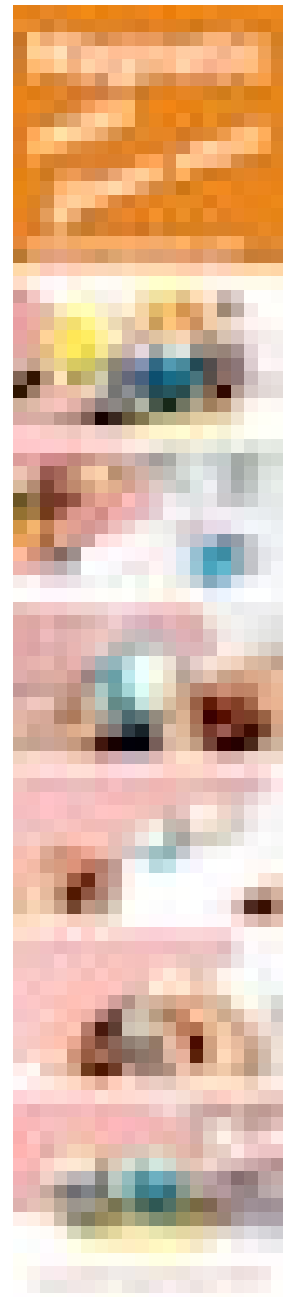

Small cube magnets (www.supermagnete.es/eng/group/cubes) can easily make your eaten Easter eggs stand up. Filled with fresh Spring flowers, they make for a simple Easter decoration!

Material needed for 3 vases

- 3 cube magnets 5 mm (article W-05-N (www.supermagnete.es/eng/W-05-N))
- 3 glue-on metal discs (article PAS-10 (www.supermagnete.es/eng/PAS-10))
- 3 hard-boiled, coloured eggs
- Flowers (e. g. tulips, daffodils etc.)

Instructions

Step 1

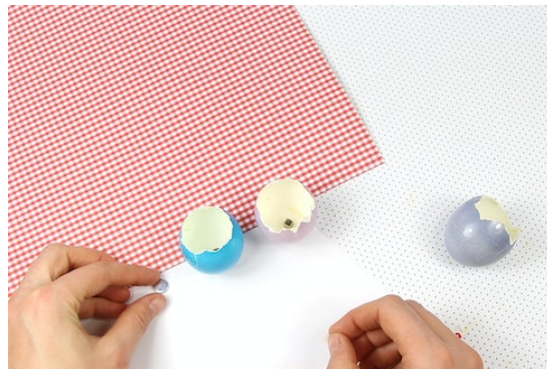

Open up the hard-boiled, coloured Easter egg at the pointed end, carefully hollow and wash it out.

Step 2

Glue on metal discs at desired spot (they attach well to smooth surfaces, such as a table, window sill, etc.)

TIP: *The metal discs may be covered with a table cloth or a nice napkin.*

Step 3

Carefully put the cube magnets into the egg shells and place them on the metal discs.

Done!

Fill the egg shells with water and cut flowers.

You can also plant cress or chives in the egg shells and eat it later.
